

Strength and durability of our covers comes from a weave of double stacked, high-density polyolefin slit tapes. They are backed with a standard 10 year pro-rated warranty or an optional 15 year pro-rated warranty. Finish your **Diamond Shelter** using one or more of these appealing colours.

Optional **Powder Coating** provides a superior finish that is tough, durable, attractive and environmentally friendly. **Powder Coating** comes in many colours for a distinctive finish.
